IN MEMORY OF ROBERT HAROLD WEBER

THE SPIRIT DEPARTED

What of the Spirit departed, forever rid of
Flesh and the shackles of Body?

Does It quickly expire as a flame extinguished?

Or does It drift with every current blown Its
way, as a fallen leaf is taken up and
swept through interminable halls of air
by the shifting winds of Autumn?

What of the Spirit departed?

Does It blossom as a flower which grows to
maturity after tender nourishment by
man and nature?

Or is It absorbed by a Greatness beyond Itself,
which underlies all Life and all that is
Humanity?

This last . . . may it prove to be the essence
of Fate's true plan, of Life beyond Life,
and of the of Bondage unkind.

DR. ROSS A. NIELSEN HIGH SCHOOL PRINCIPAL HEAD OF THE DEPARTMENT OF TEACHING

To the Students of SCHS:

I am pleased to have the opportunity to write in your Annual and to wish each of you a happy and prosperous future. As you look back on the 1964-65 school year you will recall the successes and achievements of your classmates in academic study, music, drama, the arts, athletics and other school activities. It will be worthwhile for each of you to reflect on these questions, "What did I contribute?" and, "What did I gain?" For you should have had a part in making SCHS a better school and, having been here, you should be a better person.

Best Wishes,

Ross A. Nielsen

CLASS OF 1970

This year has been very interesting for the students of the Seventh Grade. We feel sure we will remember it always. Entering into the new world of junior high school we have experienced new and different activities, such as Homecoming, pep rallies, Seventh Grade Camp, junior high athletics, cheer-leading, and voting in school elections. One of the best things, we feel, about this school is its spirit and the work the student body does to keep it running smoothly. Our main goal in the future is to keep up the good job the upperclassmen have done.

CLASS OF 1969

This year, the 8th grade of 1964-65 has been engaged in many activities. The main one at the beginning of the school year was a week of fun and learning at Camp Ingawanis. The last, and probably most "unanticipated" activity was the D. A. R. test at the end of the year. In spite of this, however, the class had a good year and is looking forward to entering 9th grade.

CLASS OF 1968

The first big event in the year for the freshmen was a mysterious Halloween party and hayride, held at Arlinda Isley's farm. The class took up several money-making projects during the '64-'65 school year. In November, Mr. George Isley generously offered to give the class all the corn we could pick up on a Saturday. In April, the class held a car wash to help support the Salou family for one month. The class feels that the year was successful, for we nearly doubled our room fund as well as having fun.

CLASS OF 1967

The Junior and Senior years are the "glamorous" ones as far as class activities go; the Juniors give the Prom and the Seniors take charge of the Annual. In anticipation of these upcoming events, the Sophs have put their energy into making money as well as presenting Senior Nite, hay-riding, and helping support the Salou family.

In the fall, the class mobilized under Doug Wahl for a day of "pickin" up corn and putting it in baskets.

This a success, the class embarked on presenting an Italian style spaghetti supper, under the direction of John Sears. It came off--typical for the class of '67.

With plenty of enthusiasm and money in the bag, the Sophs are anxious to step into their next two years of high school at SCHS.

CLASS OF 1966

To Hare, Timey Tortoise seemed very slow, so slow that he was often disregarded or even forgotten. But all the while Hare was playing and loafing, Tortoise was steadily marching toward the finish line, leaving the indolent rabbit far behind. And yet somehow Hare always came to his senses at the last minute and managed to win each race (there were several that year) though sometimes he barely squeaked by. To say that Hare's wins were without style, however, would be wrong.

HOMECOMING '64

OUR THREE QUEENS

THE PLAYBOYS DANCING TO

The Lettermen's Club started this year's Homecoming activities with an original chorale reading entitled "What Pep Means to Me." Friday morning the Juniors sponsored a pep breakfast; it evidently was effective because the football team easily defeated Jesup, Friday night. Saturday, at the dance, three queens were crowned: Janice Isley, and honorary queens Elsa Leon, of Peru, and Mrs. Paul Brimm.

PANTHER CUB STAFF

The senior class published the Panther Cub for the first semester under the leadership of Editor Kay Delafield. Editorials and literary works of SCHS students were featured, while art work of an original and inspiring nature added color and excitement to the pages.

The second semester, the Panther Cub was taken over by an all school staff headed by Editor John Melberg. This year, for the first time, students in all grades have been able to cultivate their journalistic talents.

STUDENT COUNCIL

This year's Student Council, considering itself primarily a service organization, took on projects of benefit to the school, nation, and world understanding.

The Council planned and carried out the successful Homecoming activities. With the cooperation of the student body, the Council coordinated the adoption of a standardized school ring. The Student Council purchased an American flag and contributed fifty dollars toward a new organ. It scheduled many interesting assemblies, one of the

most enjoyable of which was Bob Bergstrom's lecture on the Peace Corps in Sarawak.

To better understand the work of the other councils in the area, SCHS exchanged representatives with the Cedar Falls High School Student Forum and sent delegates to the State and District Student Council Conventions. This summer Ferol Conklin and Russ Wiesley will attend the Summer Student Council Workshop.

At Christmas time the Council sponsored a clothing drive for the Brock family of Hyden, Kentucky. In return the Brocks sent Christmas greens which were distributed through the High School Office.

To stimulate interest in the American Field Service and raise money for its work, the Student Council sponsored A. F. S. Week. The Council made \$120 through such activities as a bake sale, faculty-varsity basketball game, and a fieldhouse party.

Through the Save the Children Federation, the Student Council adopted Jean-Michel Salou and his family. The Salous, of Kerloun, France, receive \$12.50 per month, paid in rotation by the six homerooms. To further our relationship with the Salou family, the Council conducted a clothing drive; four large boxes of good clothing were sent to France.

AFS EXCHANGE PROGRAM

Elsa Leon of Piura, Peru, studied this year at SCHS under the auspices of the American Field Service. To complete the program of foreign exchange, Ellen Mahon will spend the summer in Holland.

Other exchange students in the area joined Elsa in presenting an assembly during A. F. S. Week.

THE MAD WOMAN OF CHAILLLOT

"Nothing is ever so wrong in this world that a sensible woman can't set it right in the course of an afternoon." Or at least so said Countess Aurelia, *The Madwoman of Chaillot*, at the close of the play. It is unfortunate for us that the problem of greed for power and wealth in the world is not as easily solved as Mr. Giraudoux solved it in this comic fable. Of course, the characters in the play were not real, so the solution could not be real. But it was fun to believe the problem could be solved this way, if only for an evening in a darkened theatre. At least the play forced us to take a look at our society and to question some of its actions.

DRAMA AWARDS

Drama Awards at SCHS are given to those students who have contributed significantly to both productions during the school year, either as an actor or crew member.

Music Awards are given in two forms to SCHS seniors, there is the Golden SCHS Music Award given to a student who has shown excellence in both vocal and instrumental music. The Silver SCHS Music Award is given to students who have shown excellence in either vocal or instrumental music. This year's receivers were: Jane Boslough, Terry Finch, Pat Hamlin, Celia Herbert, Janice Isley, Connie Jans, Leslie Latham, Bob Maucker, Rollie Popkes, Bradd Porter, Barb Prior, Bob Schmidt, Barb Severin, Rich Stokstad, and Pete Voorhees.

Quiet, with a happy twist.

The Class of 1965 was one of different interests, different goals, and different personalities, but these differences resulted in many worthwhile contributions. The Seniors excelled in all areas of school life, both scholastic and extracurricular. It would be unrealistic to attribute all advances to the Seniors, but they lent experience and leadership to the abundant talent contained in the rest of the school. It is our, the Class of 1965's, hope that in the future we may receive and contribute to the world as much as we have received from and contributed to State College High School.
